StockOwnership of a fraction of a corporation and the right to claim a share of the corporation's assets and profits equal to the amount of stock ownedIN listed securityThe difference between the high and low prices over the past dayThe difference between the high and low prices over the past 52 weeksA valuation method that multiplies the price of a company's stock by the total number of outstanding shares.The ratio of current share price to trailing twelve month EPS that signals if the price is high or low compared to other stocksThe ratio of annual dividend to current share price that estimates the dividend return of a stockListed exchange for this securityReliance Power Limited, formerly Reliance Energy Generation Limited is a part of the Reliance Anil Dhirubhai Ambani Group. It was established to develop, construct, operate and maintain power projects in the Indian and international markets. Reliance Infrastructure, an Indian private sector power utility company and the Reliance ADA Group promote Reliance Power. The present CEO of Reliance Power is K. Raja Gopal since 2 May 2018. The company is the sole distributor of electricity to consumers in the suburbs of Mumbai. But in 2017 they sold Mumbai operation to Adani Power. It also runs power generation, transmission and distribution businesses in other parts of Maharashtra, Goa and Andhra Pradesh. With its subsidiaries, it is developing 13 medium and large-sized power projects with a combined planned installed capacity of 33,480 MW. Reliance Natural Resources merged with Reliance Power in 2010, shortly after its initial public offering. As of March 2018, Reliance Power has 50 subsidiaries. In Fortune India 500 list of 2019, R-Power was ranked as the 176th largest corporation in India with 9th rank in 'Power sector' category. Wikipedia
